## **REPORT ON STUDENTS SATISFACTION SURVEY**

## TEACHING-LEARNING AND EVALUATION STUDENT SATISFACTION SURVEY

The students are an integral part of any academic institutions. The prime measure of college's development can be easily interpreted by the satiety of the students. In order to capture the experience of the students for the academic session 2020-2021 a questionnaire has been circulated among the students of the college. Students have rated the question in a scale of 1 to 5. The collected data points are analysed on a five point Likert scale, in percentage and bar diagrams. The scale measures the responses as below average, average, good, very good, excellent. This survey is based on the response of 252 students.
